

① PREPARE ② TREAT ③ MAINTAIN

WOOD FURNITURE TREATMENT SYSTEM

Green products, long-lasting protection and easy application

What is

WOCA Wood Furniture Treatment System?

It is a system designed for surface treatment and long-lasting protection of modern wood furniture.

It excels in high quality, low emissions and very environmentally friendly products, and includes a high-performance oil and a water-based lacquer system with primer, sealer and lacquer.

The WOCA Furniture Treatment System will take the furniture from appealing to outstanding by enhancing the natural beauty of the wood and create a unique smoothness to the touch. All four products are developed, tested and manufactured in Denmark, and are environmentally certified according to ISO 9001 and 14001 standards.

NEW

Water-based lacquer system

Our environmentally friendly lacquer system is designed specifically for use on wooden furniture. It provides the surface with a very strong protection and high resistance, and will keep the furniture looking fantastic for years and years to come.

As all three products comply with regulations regarding emissions, our customers are always ensured a safe and good working environment during application.

WOOD FURNITURE TREATMENT PRODUCTS

Lacquer treatment:

STEP 1 - PREPARE

FURNITURE PRIMER

A primer perfect for maintaining the wood's natural look and beautiful grain structure.

- Ideal for tropical wood species
- Increases adhesion of lacquer
- Prevents discoloration

or

FURNITURE SEALER

A strong sealer ideal for achieving smooth and uniform surfaces.

- Excellent gap filling
- Very uniform surface
- Perfect with all-covering colours

STEP 2 - TREAT

FURNITURE LACQUER

A hardwearing lacquer that gives the wood a beautiful matt sheen similar to oil.

- Polyurethane-based lacquer
- Non-toxic product
- Food safe according to Intertek
- Fast drying and easy to apply
- Good chemical resistance
- Excellent durability
- Meets regulation EN 71-3 for use on children's furniture and toys

Oil treatment:

FURNITURE OIL

A high-performance oil that enhances the natural beauty of the wood.

- Hyper cross linking technology
- Non-toxic product
- Fast drying and easy to apply
- Good chemical resistance
- Excellent durability
- Tintable with WOCA pigments
- Meets regulation EN 71-3 for use on children's furniture and toys

WOCA Denmark has been caring for floor, furniture and outdoor wood surfaces since 1973. We believe that all materials deserve to be cared for with quality products that keep them looking clean, healthy and beautiful for as long as possible.

Today, we are an international company - but our Danish roots can still be clearly seen in our high quality standards and our outlook. We take great care to limit our environmental impact and to live up to our customers expectations when they use WOCA products to prepare, treat or maintain their materials.
